

WGASC E-Committee Meeting

August 24th, 2009

PRESENT: Bilbruck, Carlson, Kohagen, Kramer, Mack & Gibson

TIME: 12:00 pm **END:** 12:37 pm

WGASC:

COMPETITION SITE GUIDELINES:

- ❖ The Advisory Committee's document regarding competition site guidelines was discussed.
- ❖ The letter dealt with various competition sites issues.
- ❖ Sound table placement was an issue as written. The clear view will be desired at show sites, but cannot be commanded due to guard props, size of gym, etc.
- ❖ The concept of direct view is also an issue.
- ❖ The E-Committee understands the intent of the guidelines, but the realistic part is that these guidelines may exclude many of the schools in the WGASC circuit. These guidelines submitted may also spread out championships.
- ❖ E-Committee completely supports the intent, but not sure what the effect will be on the 2011 season.
- ❖ 60x90 floor tarps are actually 70x100 (WGASC Tarp) with the 5' safety zone on each side.
- ❖ Lorraine will take back the concerns discussed today to the Advisory Committee.
- ❖ The T&P judge will take the measurements at every show site this season, so WGASC can create a data base with the information for the guidelines. This will give us concrete information to avoid problems.

JUDGES COVER LETTER

- ❖ Change the date of Preliminary Assignments to 10/15 instead of 10/1.
- ❖ Discussion of mandatory training day and those judges who do not come to the training. A statement in there schedule confirmation regarding training will be included.
- ❖ All scheduling will be done threw the WGASC office, once the seasons judges schedule is complete the E-Committee will approve the assignments for the season. Richard and Lee will handle all changes, etc.
- ❖ The letter will set out this week to all potential judges.
