

WGASC @ Great Oak High School

RAIN PLAN

Pre-Performance Floor/Prop Storage

Location: Wrestling room

A limited amount of space will be available for floor/prop storage for pre performance. Please hold your equipment, floor and props in your own vehicles when possible. We are expecting extra foot traffic due to weather. Please allow for extra time when gathering your floor/prop for performance..

Warm-Up

Location: Aerobics Room and Dance Room

A scheduled indoor warm-up will be available in the aerobics room and dance room. Vertical space is limited. Please prepare with equipment elsewhere when possible. The schedule is available at Unit Check-in.

Floor Folding

Located: Main and auxiliary gym

Units will allowed to do a soft fold inside the gym following the conclusion of their performance while maintaining timing standards. If needed, units will be allowed to store floors in the auxiliary gym located directly behind the performance floor curtain. Units will be permitted to fold floors again (when needed) directly before each awards ceremony. Space and time is very limited. Please help us by preparing your teams to fold your floor as cleanly as possible inside the main gym after your performance.

Post-Performance Floor/Prop Storage

Location: Auxiliary Gym

A limited amount of space will be available for floor/prop storage for post performance. Please hold your equipment, floor and props in your own vehicles when possible. We are expecting extra foot traffic due to weather. Please allow for extra time when gathering your floor/prop for performance.
