

Rule Change Proposal Form

Must be submitted to the office by May 15th, 2019

Proposed Rule Change or Addition:

To change the timing of SAAA to align with the SA sheet nationally.

Justification:

This will allow units attending a WGI regional to compete without risk of a timing penalty as SAAA units are now required to compete in the SA class. This would also place SCHAAA on the same timing requirements as SAA and SA locally.
