

**Policy Change Proposal Form**

*Must be submitted to the office by May 15<sup>th</sup>, 2019*

**Proposed Policy Change or Addition:** In respect to judges and the policies regarding affiliation. The same affiliation rules should be applied to Timing and Penalty Judges, Contest Directors, Tabulation, and any other working personnel of the WGASC.

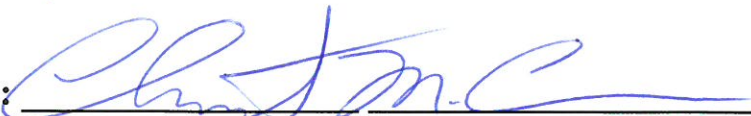

**Justification:** WGASC has cared about making contest fair. Having all personnel working at a show for the association have no affiliation to the competing units at a giving show gives a clearer image of a fair contest.

**Member Unit Submitting Proposal: Christopher Case**

**Unit representative: Patriot High School**

**Policy Change Proposal Form**

*Must be submitted to the office by May 15<sup>th</sup>, 2019*

**Proposed Policy Change or Addition:** All Units wishing to compete in WGASC Championships must appear in a WGASC competition no later than the fourth week of the WGASC Competition Season. Week #1 would be considered the Debut Show week.

**Justification:** Bad attendance by units in January and February based shows. Judges are having to judge partially full shows. Classification committee would get more reads on groups above the High School A Classifications and could better judge the respective class.
