Parking:

Please instruct your parents/staff not traveling with your school to park as shown on the map below. Parking for personal vehicles is free. The entrance to the spectator parking lot is on the northwest side of campus. Turn east onto Cole from Millbrook and take an immediate right to enter the driveway to the parking lot.

Check-in:

Check in will begin 45 minutes prior to each competition start time. Only directors or staff members may check in units, we will not administer any wrist bands to parents or students.

SJVCGPR Staff Passes:

For this contest each ensemble will receive the number of staff wristbands based on your registration plus 1 for unit director receivable at check in. You will also receive performer wristbands based on your registration/competition suite information.

For the additional contests you will receive 1 unit director badge at check in then the number of staff wristbands along with wristbands for each performer based on registration/competition suite info.. Units will receive the correct number of wristbands from registration for staff and wristbands for each listed performer. Units will also receive 5 additional wristbands for volunteers who are helping move equipment into and out of the performance area. These wristbands do not act as admission to contest. If parent volunteers wish to observe contest from front sideline they must purchase a ticket.

WGASC Wristband Policy

(for note if you plan to attend a WGASC SANCTIONED SHOW ONLY IN SOUTHERN CALIFORNIA):

At Ensemble Check-In, ensembles will receive wristbands based on the Membership level of the ensemble; Standard Membership includes six (6) wristbands per event + 1 for the Director, Deluxe Membership includes eight (8) wristbands per event + 1 for the Director, and Premium Membership includes ten (10) wristbands per event + 1 for the Director. The Director should present his/her Ensemble Director Badge at Check-In to receive the Director wristband; the Ensemble Director Badge on its own does not allow admission into the venue. Ensembles will receive their Ensemble Director Badges at the beginning of the season. Director and Staff wristbands allow for seating on the spectator side of the performance venue.

Rulebooks:

You have access to the WGI Rulebooks by logging on to your Competition Suite profile. Once you have logged in and selected your unit, click on the resources tab. Look 4 lines down and you will find the WGI Rules for Color Guard, Percussion, or Winds.

Performance Gyms:

Percussion and Guard performances will be in the West Gym. Please remind your students that upon re-entry, there is a NO CROSSOVER policy. All student members will sit on the opposite side of the paid spectators and judges. Please refer to the flowchart for information on entering, exiting, and direction of judges for floor folding.

Changing Facilities:

The boys' and girls' locker rooms will be open and available to your students for changing. The locker rooms are located on the north (women's) and south (men's) side of the west gym. Please always have adult supervision with your students in the locker room. Please remind your students and instruct them not to leave ANY personal items in the locker rooms or lockers. The locker rooms are strictly for changing, not for storage. SJVCGPR is not responsible for any lost, stolen, or damaged items. Please remind your students to treat this facility well, so that we may continue to have access to locker rooms in the future.

Restrooms:

Restrooms are located in the locker rooms, on the north side of the MPR, and between the two gyms, on either side of the snack bar. Extra restrooms are also located in the locker rooms.

Warm Up – Please Read!

Color Guard units may warm up on the tennis courts, as well as the basketball courts on campus. Please see the attached map for designated areas. All units must use the basketball courts for floor folding. Groups warming up in the tennis courts have no specific time allotment, however we do ask that you keep your warmup in those areas to less than an hour as a courtesy to the other performing groups. If you require more time to warm up than an hour, please find another place on campus. Please make sure that your staff and students know to not touch, lean on, or sit on the tennis nets. We have been removed from the tennis courts in the past and want to keep that from happening

again.

Percussion units are NOT permitted to warm-up in the tennis courts. Please see the attached map for designated areas. Percussion unit warming up on the tennis courts will be asked to move, and possibly be assessed a penalty at the discretion of the circuit administration. In general, percussion units should warm up away from the performance gyms. Please use good judgment on whether noise will bleed into a performance gym. Any groups warming up too close to a gym will be asked to move.

Floor Use in Warm Up:

Units are NOT allowed to rehearse on their show floors in warm-up. Any unit found rehearsing on a floor in warm-up may be assessed a penalty. The reasoning behind this rule is that your show floor may bring in debris, dirt, water, etc. into the gym and disrupt the circuit floor. Any debris brought into the gym from your floor *must* be cleaned up before your interval time is clocked in by the timing & penalties judge. For this reason, we advise that you do NOT open your floors in warm-up!

In case of rain, the MPR will be opened for indoor warm up. A rain plan/warmup schedule will be sent out.

Percussion and Guard Gym Entrance/Exit

The performer entrance will be located at the Northwest corner of the gym, and you will exit diagonally through the Southeast corner. The spectator entrance will be at the Southwest corner of the gym, and the Student Re-Entrance door will be at the Northeast corner. Please refer to the flow chart attached. The timing & penalties judge will help tell you when to move to enter the floor. There will be a show volunteer to help escort your groups into the gym. Your performance interval time will begin when a member crosses the center line, and your time will stop when the last person/piece of equipment crosses the center line towards the exit. If a show is running behind, volunteers may ask that you stage your group inside while the current group is performing, to get the show back on schedule. Please comply with any directions volunteers give you, as they have been instructed to do so, by the timing & penalties judge or circuit administration. Remember, they are there to help!

West Gym Flow Chart

North

Interval Time is a *total time* for set-up, performance, and tear-down. This time will start and stop when the ensemble crosses the center line.

-Penalties will be assessed to any groups OVER their allotted interval time. Penalties may also be assessed for any equipment that is left behind in the performance arena.

Floor Folding:

No Rain: Immediately on the exit of the Gym(s) there is an outdoor tennis court or basketball area. This is a place to fold your floor after your performance. Please be courteous to other groups in this area as well, and make sure your floor is folded and out of the way before the next performance has concluded. Please fold your floor in a timely manner so that the next group can use this space to fold as well.

Rain: Floor folding will be done in the gym.

Hospitality:

Staff hospitality will be offered at Clovis West in room A14 which is to the west of the performance gym. Food and drinks will be available from 11am-1:30pm & 2:40pm-5:30pm. Room A14 will be closed to directors and staff from 10am-11am and 1:40pm-2:40pm for judges meeting session.

Recaps:

Recaps will be posted on ***Competition Suite!***

Commentary:

Commentary will be uploaded throughout the show on ***Competition Suite!***

Awards:

For awards, we will only be allowing ***one student*** per group to come out for awards. Please instruct your selected person to be at the Performer's Entrance after the last performance of the competition. An SJVCGPR staff member will then help line up all captains and lead them into the gym.
